Transit Rail Association for Canadian Contractors, Operators, Maintainers and Standards

TRACCS is a Non-Profit Association of contractors, operators and maintainers in rail, OCS, signal construction, and communication system coming together to serve the needs of its members and the industry.

Our Mission

Our mission is to stabilize cost and ensure adequate and qualified resources to perform the work safely and efficiently.

We are working continuously to develop a collaborative platform to discuss industry best practices and lessons learned, and any developments in Safety, Innovation, Sustainability and Cost-Efficiency

The pillars of our work

SAFETY - SUSTAINABILITY - INNOVATION - GROWTH - COST-EFFICIENCY - NATIONAL STANDARDS

Who We Are

02

Members

The best way to serve our industry is to listen to a variety of voices, experiences and backgrounds. By engaging with different stakeholders, we enrich the discussions and expand our platform.

CONTRACTORS & MAINTAINERS

Building and Maintaining Transit Rail

ENGINEERS, VENDORS & CONSULTANTS

Providing Transit Rail with essential services and products

INDIVIDUALS

Engaged industry professionals and leaders

TRANSIT AGENCIES, GOVERNMENT & NOT-FOR-PROFITS

Rail Day Impact

One of the main goals TRACCS was founded for was to support the growth of the Transit Rail Industry.

With billions of dollars in investment and exciting projects ahead, it is time we get together and lean on one another's strengths and experience.

Rail Day 2023 showed an incredible commitment from the industry, and we enjoyed significant growth from our first year, as well. We are grateful for our Members, who have supported our initiatives and accompanied us in this exciting period.

2024 promises to deliver even more value to our members, our colleagues and our national transit rail industry.

Rail Day Impact

2023 Demographics

Rail Day is a world class meeting place for a diverse demographic of rail/transit professionals that want to be arms-reach and hands-on with innovators and accelerators of modern transportation products & services.

- 76% of 2023 Rail Day attendees worked in the Rail & Transit Industry
- 65% of attendees visited both days.
- 16% of the 2023 attendees were leaders from Executive or C-level
- 20% identified with Operations/Maintenance and Capital Project technologies
- 4% of these attendees worked in the sector of Technology solutions and architecture.
- Almost 10% of our attendees came from outside of Canada - a growing trend, opening our market

The 2024 Program

Two and a half days of spectacular opportunities for you to grow your business and showcase your brand and your team.

Conferences

Keynote Speakers & Themed Rooms:

- Construction
- Maintenance
- Operations
- Safety
- Sustainability
- Innovation

Social Events

Unique spaces to meet new professionals in the industry, discover new potential partners and solidify relationships in a relaxed and friendly environment

Technology Showcase

The latest and greatest in technology applied to Transit and Rail. Attend product presentations and demos by the best in the industry.

Key Highlights 2024

Experience firsthand the latest advancements in all areas of our industry.

- **Technology Showcase:** A new sector of our expo, dedicated to technology developments, where new exciting products will be presented to the audience.
- **Insightful sessions** that explore the future of transit rail technology by leading experts in the public and private sector to discuss the most important and pressing issues.
- **Networking Opportunities:** Connect with industry leaders, professionals, and experts during the event. Take advantage of the networking opportunities to foster collaboration and partnerships. Social areas, Cocktail, Meeting Rooms and more, everything in one place
- **Live Product Demonstrations** of state-of-the-art Machinery and Technology at our Technology Showcase and the Outdoors Sector, where exhibitors will be available to provide in-depth insights into the features and benefits of these solutions.

- Three Meeting Booths
- Two Social Areas
- Two Coffee Bars
